BULL PARTY CONTINUES IN CONTROL OF MARKET

Moderate Demonstration on Optimistic Dispatches and Favorable Bank Statement.

NEW YORK, Jan. 16.-The stock market today closed dull, but firm.

The optimistic tenor of advices regarding the situation in the Far East encouraged professional operators to make moderate demonstration on the bull side. Business was rather quiet during the first hour, and net changes consisted mainly of slight fractions. In the railway list gains of 1/2 to 1/2 per cent occurred. United States Steel fives advanced fractionally on belief that conditions in iron and steel trade had improved. Missouri Pacific, Wabash preferred, Brooklyn Rapid Transit, Western Union, and Rock Island showed slight improvement. In the specialties, American Ice advanced fractionally. The socalled soft coal stocks were neglected. After the first hour the market was somewhat listless in character, but the tone continued firm. Government bonds were unchanged. Railroad and other bonds were strong and active.
